“Simplifying
Engineering
Redefining
Excellence”

MADE EASY publishes reference books which deliver high quality reading material and learning solutions across a wide range of disciplines. Our competitive examination titles provide a wide range of competitive solution books, manuals and exam specific books for national and state-level competitive examination like ESE (conducted by UPSC), State Engineering Services Examinations, GATE, Public Sector Undertakings examination SSC, UGC etc. We also publish some highly popular titles on the key subjects of such examinations, such as General knowledge, General English, Current Affairs and Quantitative Aptitude. Content is designed keeping in mind student requirements balancing theory and practice with examples, and illustrations that add value to the preparation. The study material is comprehensive, authoritative and up-to- date.
