Preface

Over the period of time the GATE examination has become more challenging due to increasing number of candidates. Though every candidate has ability to succeed but competitive environment, in-depth knowledge, quality guidance and good source of study is required to achieve high level goals.

B. Singh (Ex. IES)

The new edition of **GATE 2016 : Verbal & Numerical Ability (Theory, Solved & Practice Questions)** has been divided into two sections. **Section-A** contains *Verbal Ability* while **Section-B** contains *Numerical Ability*. Each learning unit is packed with key theory concepts with sample questions and explanatory solutions. It also contains solved questions of previous GATE Papers followed by Practice Exercises.

I have true desire to serve student community by way of providing good source of study and quality guidance. I hope this book will be proved an important tool to succeed in GATE examination. Any suggestions from the readers for the improvement of this book are most welcome.
