***This book is dedicated to my parents,
for their showering blessings.***

***Finally, I would like to thank my wife,
for the continuous support and encouragement,
throughout the preparation of the book.***

PREFACE

I have immense pleasure in placing this book CSAT Paper-II before the aspirants of the UPSC Examinations. Civil Services Examination is considered to be amongst the toughest exam in India. Competition level in this exam is very high but the success ratio is least. With some experience in this field, initially as an aspirant and later on as a Civil Servant, my endeavor is to provide best possible guidance to all future aspirants.

This comprehensive volume would enable the readers to acquire complete and detailed understanding of various aspect of syllabus prescribed by the UPSC. My first-hand experience as a faculty member imparting guidance to the students has been a great source of inspiration and helped me immensely in writing this book. Preparation for Civil Services Examination, taking Mathematics as optional subject also helped me sharpen the ideas and arguments developed here.

This book has five sections, that is, Basic Numeracy, General Mental Ability, Logical Reasoning & Analytical Ability, Data Interpretation and Decision Making & Problem Solving. Each chapter contains Theoretical aspect at the very beginning followed by Solved Examples & Practice Exercises.

I am grateful to my parents, who have been showering their blessings. I offer my deep sense of gratitude to my Teachers of Jawahar Navodaya Vidyalaya and Professors of NIT Raipur for their blessings and guidance. I would like to acknowledge the encouragement and useful guidance provided by my seniors and colleagues serving in IAS, IFS, IPS, IRS and other Services. My publisher Mrs. & Mr. B. Singh have been a constant source of support and encouragement. My special thanks to the MADE EASY team especially Mr. Vinod Kumar and Mr. Dalbir Negi for bringing out this book at the earliest in the hands of readers.

Finally, my family members particularly my wife Preeti has been a biggest supporter as well as constructive critique of this book. As an aspirant preparing for Civil Services Examination she encouraged me throughout the preparation and provided feedback from a recent student's perspective.

Suggestions and constructive comments from the readers for improvement of this book are welcome.

CONTENTS

A

Section

Basic Numeracy

(Numbers and their Relations, Orders of Magnitude etc. (Class X level))

1. Number System 11

B

Section

General Mental Ability

1. Average 41
2. Ratio & Proportion 53
3. Percentage 67
4. Profit & Loss 85
5. Simple Interest & Compound Interest 99
6. Time & Work 113
7. Time, Speed & Distance 133
8. Clocks and Calendar 161
9. Surds, Indices & Logarithms 179
10. Progression 189
11. Permutations & Combinations 207
12. Probability 227
13. Geometry 247

C

Section

Logical Reasoning & Analytical Ability

1. Blood Relations 285
2. Coding & Decoding 297
3. Cubes and Dices 303
4. Direction Sense Test 317
5. Miscellaneous Puzzles 327
6. Logical Venn Diagram 347
7. Analytical Reasoning 353
8. Logic 379

D

Section

Data Interpretation

(Charts, Graphs, Tables, Data Sufficiency etc. (Class X level)

1. Graphs **387**
2. Tables **393**
3. Bar Diagrams **399**
4. Pie-charts **409**
5. Data Sufficiency **421**

E

Section

Decision Making and Problem Solving

1. Problem Solving **443**
2. Decision Making **465**
